# MANISTEE HIGH SCHOOL CENTENNIAL YEARBOOK 1878-1978

Vol. XIV 1977-78

Manistee, Michigan

I stand here alone in the halls  
 Wondering how things once were.  
 I can hear the laughter of the years.  
 Just the other day I saw a picture  
 Of the way it use to be.  
 It looked so fancy,  
 The lawn freshly mowed,  
 It was so green and  
 The building looked so new.  
 If you can look at the picture you  
 Can feel the nostalgia pour out.  
 I wonder what it would be like  
 To live at that time?  
 To walk, to talk and know what they did.  
 What was it like to live another life  
 than what it means now?  
 What kind of classes did they offer?  
 Was there any kind of discrimination?  
 Who was their top student?  
 Did they have a lot of sports?  
 I wish I could visit the way it was  
 I can hear the applause in the auditorium  
 I wonder what went on in there?  
 The cheers from the gym fill the school  
 Did they win the game or lose

UNION SCHOOL 1867-1886

The first high school in Manistee, Union School, was located on the corner of Oak and 1st Streets. It was started in 1867. By 1872, Edwin Russell became the Superintendent and he succeeded by 1874 to complete a formal course of study for all students. A music department and an extensive library were also added. The population of the students doubled within a few years time and the additions were made to the original building. But on May 1, 1886, tragedy struck as the building was destroyed by fire.

Pictured at the left are the schooners which moored in the Manistee Channel near what is now 5th Ave. Beach.

Lumbering played an important economic role during this time period in Manistee. Pictured above is the old Sands Mill. The middle picture is of the prize winning load of cut lumber which was on display at the Chicago World's Fair in 1892.

At the bottom right is a scene of the lumberjacks after work in the camp. Lumbering was an important part of the area until the early 1900's. Because of the lumbering industry, Manistee at one time boasted the most (19) millionaires per capita than any other city in the United States.

After the fire, which destroyed the Union School, Manistee was proud to quickly build a new school, Central High, located on the same spot. This was completed by 1887.

At this school, clubs, sports, and an excellent Commercial Department were added to the already formed educational program. Pictured at the left is the Girl's Basketball team of 1920.

An extensive educational program was provided for the students at Central by 1899, as shown by the report card of Chauncy Wilcox, at the far right.

The graduating class of 1887 had three courses of study, Latin, Science, and Business. One of the class members is shown at the right.

The Central school was soon outgrown by the population of Manistee and became a grade school. It was torn down in the late 1950's.

Trolley cars replaced wagon wheels and telegraph lines sprung up along River Street as Manistee emerged from the lumbering era.

## MANISTEE HIGH 1927-1964

On June 17, 1925, the taxpayers of Manistee voted to finance the building of a new high school. The old Woodrow Wilson school just couldn't keep up with the ever-rising population of students. A high school education now became a privilege of the majority rather than a special privilege of a few.

The complete cost of the building came to \$290,000.00. This included equipment, sidewalks, architectural fees, and improvement of the grounds.

At the upper left, two 1945 cheerleaders are shown. At the far left is a cast picture of the 1937 school play. A young man in his shop class is depicted in the upper right corner. An exciting scene from typing class is shown above. The Manistee High School Band, with their eye-catching uniforms, is to the immediate left.

# GOLF TEAM SETS NEW RECORD

The 1977 Golf team closed out a fantastic season, boasting a school record of 32-4. Coach Pieczynski led a talented group this year, placing 2nd in Conference and 4th in Regionals.

Four Chips were placed on all All-Conference squad.

Lance Erickson played No. 1 man this year having a 39.8 average. He was also voted Most Valuable Player and was placed on the 1st team All-Conference. Next in line was Paul Brastrom, who was co-captain with Erickson. He played No. 2 man, had a 43.2 average, and made 2nd team All-Conference. Tom Wandrych, another senior on the squad, played No. 4 man and had an average of 42.6 and also made 2nd team All-Conference. Jeff Lijewski made 2nd team All-Conference and played 5th man this year with a 44.2 average. Todd May, the only junior on the top five, had a 43.6 average and scored a hole-in-one in a match this season, being the 1st Chippewa golfer ever to have one. The rest of the team was composed of Mike Perry, Dave Anderson, and Randy Tomaszewski.

The Cross Country team did not claim many victories in the won-loss column as their record of 1-16 shows, but it did promote great maturity in all runners. Coach Perkins saw a very positive attitude towards competition among members. With the loss of only one senior, next year's team looks very bright.

The team consisted of 12 runners. The top two runners were Mike Barnes and Dave Pachesny. Steve Ham and Steve Oliver shared the third place honors.

Mike "Ghetto" Barnes finished 13th in the Regionals to qualify for State. At the State meet he finished 53rd out of 70 runners. He was the second runner in recent history to qualify for a State meet.

## BREAKS SCHOOL SHUT-OUT RECORD

The Girls Tennis Team had an outstanding year, compiling 12 wins and only 3 losses. Ten of these wins were shut-outs, breaking the old school record. The team also took 2nd place in the Regional Tournament, qualifying for State.

Team co-captains this year were Sally Long and Jean Pommerville.

The entire team earned major letter awards. The players with the best records were Rise Futterer with 17 wins-3 losses, Jean Pommerville with 16 wins-4 losses, and Lori Kaczmarek with 16 wins-3 losses.

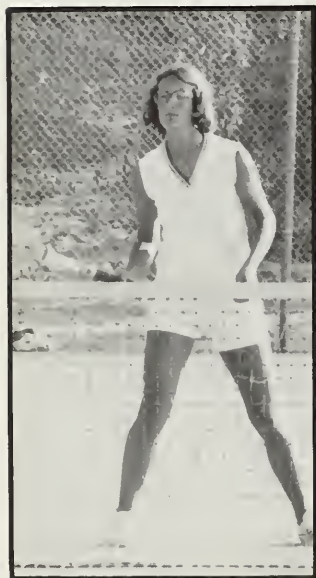

The team will be losing only 3 seniors this year, so they should have a well experienced, mature team for next season.

Coach Don Green

Ending with a season record of 23-2 was only the beginning for the Girl's Varsity Basketball team. The season brought about old records being broken and new records being set. The win-loss record itself was the best set by any Girl's Basketball team at Manistee High School.

Other accomplishments were made with Tammy Jones becoming the first girl to score over 1,000 points in her high school career. She was also voted Most Valuable Player of the North Central Conference, as well as the team MVP.

It was the third year in a row for the basketball team to come in first place in the Conference and the second year for them to go undefeated in the League.

The team also brought home the District trophy for the 2nd year in a row.

Tam Jones and Brenda Rutowski, team co-captains, were selected to the First Team All-Conference, as well as receiving All-State Honorable Mention.

Lee Ann Huffman held honors on the Second Team All-Conference.

Lee Ann, Tam, and Brenda were placed on the New-Advocate's All-County Dream Team.

The girl's averaged 58 points per game with their opponents' averaging only 41. They pulled down 40 rebounds, as opponents' 30.

The team's talent and enthusiasm never wavered as they finished out the season with an impressive 23-2 record.

# J.V.'S POSSESSED

## Pride, Dedication, and Enthusiasm

The Girl's Junior Varsity started the season with a new coach and a new attitude. Coach Michael Munro took over the reins promising nothing but enthusiasm and excitement.

The squad started out the season as if they were going to break the record for the most losses, dropping four of their first five games. Then through dedication and determination the Junior Chips took eleven of their next twelve games, in posting a league leading record of 10-2. The highlight of the streak was the domination of highly touted and previously unbeaten Big Rapids twice, 35-28 and 37-25.

The pinnacle of the season came when the Chips broke Traverse City St. Francis's 18 game winning streak, ruining their season with a convincing 39-28 pasting.

This year's team, composed mostly of first year players, established many new records and broke several old records, most notably best season record (13-7) and best conference record (10-2).

The program this year stressed the development of the fundamentals and the importance of teamwork. The Jayvees were led by freshman sensation, Leah Abila, who's 306 points and 142 rebounds worked out to 16.1 ppg and 7.9 rpg. Cindy Gielczyk posted 101 points and a record 175 rebounds while Cathy Gustad put in 73 points and took down 170 rebounds. Pride, Dedication, and Enthusiasm—

# SO CLOSE . . . BUT YET SO FAR

Unfortunately, it takes more than just attitude and hustle to establish a winning football program. If these attributes were the sole determinates of a season's outcome, the Chips would surely have finished 1st in the Conference.

Throughout the season the Chips often came close but usually fell short. The team lost 4 games by 6 or fewer points.

Leading the Chips in defense were Phil Kaminski, Don Tomaszewski, Brian Atwood, and Scott Fauble, all being placed on the 1st team All-Conference. Mark Bratchi led in tackling with 46 yards and was named to 2nd team All-Conference. On offense, Shawn Gillespie led with 616 yards and was put on the 2nd team All-Conference.

The Chips defense allowed 111 points while we scored on offense 89. The passing department on offense had a total of 397 to 1177 yards on the ground.

# J.V.'s HAVE WILD SEASON

The J.V.'s finished the season with an outstanding 7-1 record. The Chips scored 28 points a game compared with their opponents 7 points. This season also extended Coach Lindeman's Conference winning streak to 20 games.

The offense blasted out 2,722 yards this season with 1,546 of them rushing. The leading rusher was John Beatty, who ran for 677 yards on 105 carries. Jody Racey ran for 223 yards on 32 carries and Jim Engstrom with 211 yards on 42 carries.

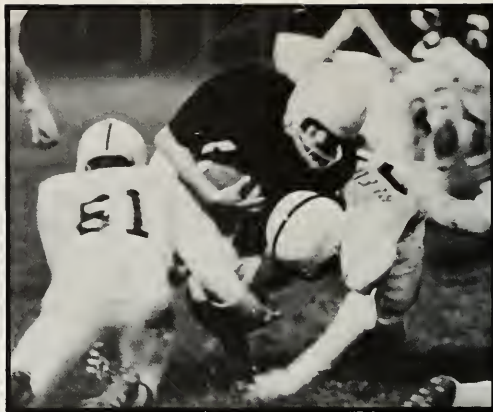

Mickey Majchrzak lead the passing department with 65 completed on 159 attempts. He passed for a total of 1,125 yards. Grabbing his passes were Gary Feliczak, who caught 30 passes for 780 yards. Next were Ed Miller with 12 catches for 182 yards, and John Beatty with 9 for 101 yards.

Top scorers were Beatty with 52 points, Feliczak with 42, Majchrzak with 36, Engstrom with 26, and Dan Wagberg with 16.

Leading the defense were Gary Feliczak with 85 tackles, Charlie Hedstrom had 84, and Dennis McDougall with 72. In special departments, Mickey Majchrzak intercepted 5 passes, Feliczak recovered 3 fumbles, and Wagberg blocked 2 punts.

Coach Lindeman commented on his team, "This team developed more than any other team I've had. Some of the players who started on this team didn't even start as freshman. This shows how much they improved. They had less natural talent, but because of hustle and sheer desire, they made up for it."

The Freshman football team showed improvement over the 1977 season although their record remained a dismal 0-8. They were hurt by many injuries and just didn't bounce back. Although their records didn't show it, they had some bright moments. Lead by quarterback Dan Gustad, the young Chips had quite the punch on offense. The team was physically fit and was capable of hitting very hard. Coached by John Carter and Asst. Rod Worch, the freshman gained much experience.

## SKI TEAM

The Boys and Girls Ski teams put forth a strong effort this year and with the aid of Coach Dan Jankowiak, they accumulated a fine season.

Despite being small in numbers, the Girls team had a real fine year placing ninth at Regionals.

Great Job Coach!

## WRESTLERS BURN THE MATS

Bob Gustafson was the only wrestler to make it past District this year by taking 2nd. He also took second at Regionals and went on to State. He had a difficult time at the State competition, losing his first match. Bob took the consolation championship at the Glen Lake and the Glen Lake

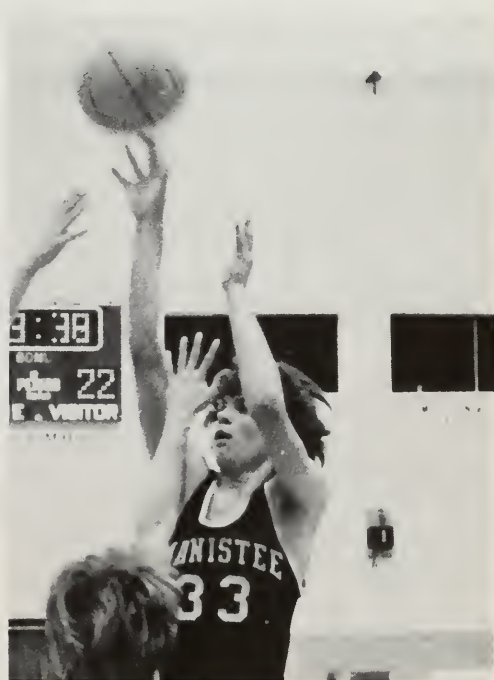

## FROSH B-BALL

As Coach Terry Walker looked over his young freshman prospects on an early November morning, he probably wondered how and where to start. One's estimate of the probable outcome of the season started pretty much on target as the Little Chips were defeated soundly in their first couple outings. But one thing was not to be denied, the freshman had talent. With such talent as Bruce Williams and Dan Wilkosz on their side, the opponents had better look out.

Finishing out with a 8-9 record the Chips were respected by many opponents. Great emphasis was placed on the fundamentals and some experience all season long. Great Job Freshman!

# J.V. B-Ball

In preparing for the Varsity, the J.V.'s posted a fabulous 15-4 record. They worked hard to beat many tough opponents. Team work was one of the many factors of their success.

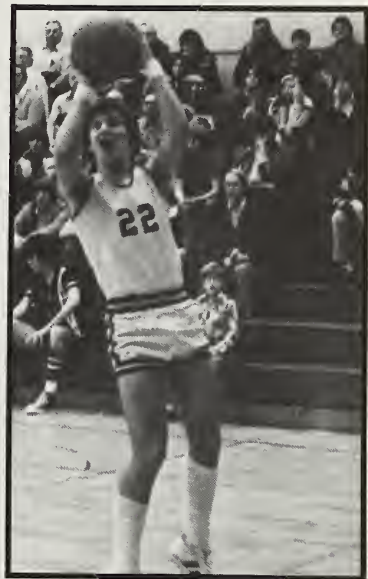

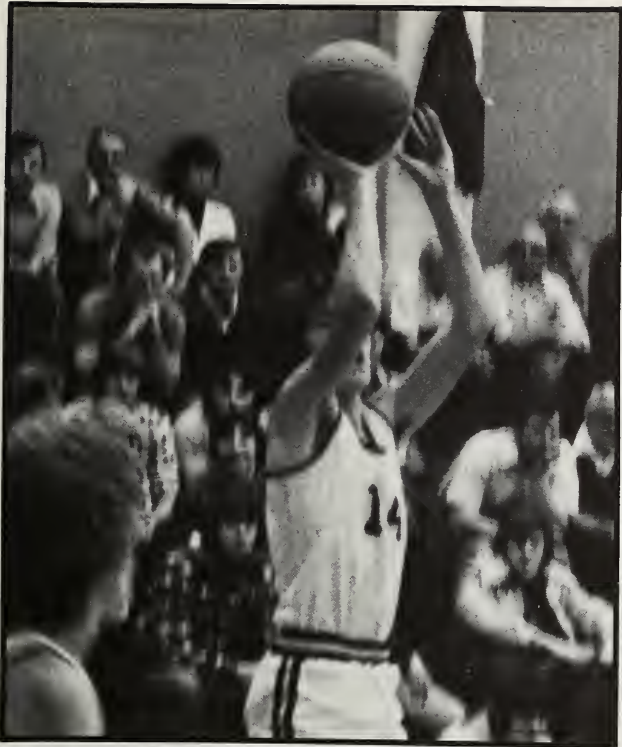

Leading the way for the Chips was Gary Feliczak with Dan Wagberg and Mike Barnes doing a fine job also. All the players coming off the bench did a good job in making the team a success.

Coach Harned did an excellent job in getting his team working together and bringing out the best in all the players. He helped them gain much valuable experience for the years to come.

# NEW COACH INSPIRES CHIPPEWAS

The Chippewas had high hopes of becoming the first team in Manistee history to go on to State, only to lose to Ludington 72-71 in the District Tournament games. They had the talent, the enthusiasm, and the coaching, so what could go wrong?

There were quite a few high spots that could be recognized. For one thing, the Chips had five players with over 100 points over all. They also had 3 players recognized by the North Central Conference. They were Bruce and Scott Parkes who made the 1st team All-Conference, and Lance Erickson who was put on the Honorable Mention list.

The starting five included the two giants, Bruce and Scott Parkes. Bruce led the team in shooting and Scott was second. They were also 1st and 2nd respectively in rebounds. Next in line was the ever-so-quick Don Tomaszewski, who was well known for his good defense. Last were the two guards, Lance Erickson and Randy Block who directed the team in defense, assists and steals. Dan Johnson and Paul Brastrom were numbers one and two off the bench, with Dan playing guard and Paul playing forward. They both helped keep the wheels rolling several times.

Coach Perkins brought a new insight into the game. He came from Midland last year, sensing he could bring about a Manistee capable of making it to the finals. Even though he didn't make it this year the Chips did take a giant step forward. Coach Perkins has started a rebuilding program throughout the lower grades, while always improving the team.

Bruce Parkes, Scott Parkes, Lance Erickson, Paul Brastrom, and Don Tomaszewski will all be missed next season. But Coach Perkins has already got ideas about next years team which will have 8 returning lettermen.

# STUDENT SENATE REACHES OUT FOR SCHOOL SPIRIT

Sitting L—R, Julie Niesen, Jamie Snyder, Leslie Knott, Sally Long, Sheryl Carter, Janet Wild, Leah Abl, LeeAnn Huffman, Maureen Taylor Standing L—R, Lori Kaczmarek, Amy Kaap, Linda Parr, Ann Wickens, Lynette Van Drie

Pres. Lynette Van Drie

The members of the 1977-78 Student Senate, under the watchful eyes of Mr. Atkinson and Mr. Worch, found themselves quite busy as soon as school started in September. With only 3 weeks until Homecoming, the Senate really had to hustle to organize elections, the bonfire, the parade, the concert, and the halftime activities. Other projects and activities which the Student Senate worked on included: Odd Jobs Campaign, Helping out on Track Tag Day, the school flag contest, Halloween Dress-up Day, Christmas Assembly, the election of a Winter Sports King, Favorite Sports Dress-up Day, Hall Decorating Contest, the Winter Concert, Send-A-Flower to Your Sweetheart Day, Student-Faculty Basketball Game, A Short Film Festival, Candy Sale, and Selling Shamrocks for Dystrophy.

Early in the year a Senate committee was appointed to look into the possibility of early graduation for those Seniors who had completed their 7th semester and had all the required credits. Mini-courses were once again brought into the limelight as it was looked into extensively by members of the Senate. The Senate also helped out on April 5, 6, and 7, when the school was visited by the North Central Accreditation Committee.

Jr. Buddha

After the turn of the century, there was a rapid growth in attendance all over the United States. With this growth there was added to the curriculum many outside activities, which helped the student get a well-rounded education. Gradually, however, these extra-curricular activities seemed to be taking the spotlight while scholarship was given the backseat. Students were not interested in studying anymore. There was no honor given to those who did.

In 1921, the National Honor Society was formed to combat this attitude. The framework of the Society is very simple. Manistee High School received their charter in 1937, one of the earliest charters granted. The school is then entitled to place the upper fifteen percent of the graduating class into the Society. Five percent of the members may be elected in their junior year. Also, in recent years, sophomores were elected to the National Honor Society.

The purpose of Tri-Hi-Y is to involve members in developing leadership, brotherhood, equality, and service, while increasing in awareness of oneself and the world.

Induction ceremonies were held on Oct. 25, 1977. The officers of the first Tri-Hi-Y Club (1948) participated in the candlelight service.

Putting together a "Spirit Book" and ringing bells were just two of their 1977 activities.

1978 found them selling candy and preparing bills to be sent to Legislature in April.

# DEBATE

**Our Best Arguer!**

Debate is an organized presentation of a support or rejection of a resolution. In its first year the Manistee High Debate team completed the Conference loop with a record of 17-15. There were three affirmative teams: Kirby Briske and Paul Gardner, Ford Stone and Al Smith, Marcie Somsel and Sue Barker. Two negative teams also performed, Bill Barker and Ann Erickson and Robert Swanson and Karen Alberts. Timekeepers were Marcie Somsel, Sue Barker, and Dan McDougall.

# Band

The entire music department deserves to be highly praised and applauded for their excellence in musical achievement; the ever-great Senior Band for their remarkable record of 19 straight years of I ratings, the spirited Pep Band for their energetic music they provide at assemblies and basketball games, and the Choir and Madrigal for their enthusiasm and drive.

The excellence demonstrated by the musicians highlights the high caliber of their directors, Mrs. Carr, Mr. Cramer and Mr. Pettengill.

# IN MEMORY OF MIKE THOMAS

He came to us  
 A young man  
 Armed with desires  
 To fulfill  
 He dwelt amongst us  
 As a comrade,  
 As an officer,  
 As a scholar,  
 As a friend.  
 Too soon he met  
 his God  
 Without accomplishing  
 his earthly goals  
 Night captured him  
 Within fun  
 Snuffed the flame  
 But not the glow  
 That marks him among  
 our pages  
 His memory will wake  
 eternally  
 And death shall be  
 no more.

## It's been a century - - -

Times change. Vocations change. Progress alters all our lives. The past century has seen more changes than all of recorded history. The next century can produce even more drastic changes . . . and you will be part of this social and economic progress. To you is the challenge of today and tomorrow. How today progresses and tomorrow unfolds, is your personal challenge. The INTERESTED bankers at Security National Bank wish you and the world you will control, the best of success.

This Centennial book wouldn't have been at all possible if it weren't for the following people who helped us out along the way: Dr. Sweetnam, Emma Jolly, E.K. Henry, Ellie Erickson, Mary Moore, The Knaffles, Jerry Lewis, Fred Caro, Russ Miller, Al Arnold, Mr. Steve Harold and his excellent staff at the museum, Robert Pomeroy, Dorothy Laskey, Ed Hoogterp, Wes Morton, Millie Hoogterp, Thomas Amor, Sr., Mr. C. Bert, all the businesses and organizations that purchased ads from us, our Centennial Contributors, and many other people too numerous to mention.

A sincere "Thank-You", goes out to all of you.
